

REMARKS

Applicant respectfully requests reconsideration of the present application in view of the amendments set forth above and the below remarks.

Claims 1-21 are pending in the application: claims 1-21 are allowed and claims 22-28 are herein cancelled without prejudice as subject to a restriction requirement.

The Examiner objected to the declaration form. In accordance with the Examiner's suggestion left in a voice message to the undersigned on or about March 8, 2005, the undersigned states that the address provided in the Declaration of record is the Applicant's post office address. Applicant believes this addresses the Examiner's objection.

Claims 17 and 20 are objected to on the basis of certain informalities as set forth on page 2 of the present Office Action. Claims 17 and 20 are amended as set forth above to address the objections.

Accordingly, Applicant believes that claims 1-21 are in condition for allowance for which a notice thereof is respectfully requested.

The Examiner is respectfully invited to telephone the undersigning attorney if there are any questions regarding this Amendment or this application.
